BOOKSTORE SPOTLIGHT

"Emphasizing and marketing QuickStudy® as a supplemental reference tool for students enrolled in online courses, underneath the textbook, has resulted in significant growth for us. As a result of all our QuickStudy® being mapped to appropriate classes online, we have seen over a 75% increase in revenue the past 3 years. We list them as an optional resource when a student pulls up their book list."

Patricia A. Clark
General Manager, Commodore Books & More

Creating your own custom guide using the QuickStudy® format is easy! Whether you're using it as a campus guide, employee training manual, procedure guidelines, or promotional tradeshow item, we can bring your content, brand, and message to life – all sealed in premium, durable lamination.

CUSTOM MADE - YOUR WAY

There are three easy ways to make your customized guide. You can (1) choose any of our titles and add your logo and contact information, (2) use our design team to create a guide in our format using your own specific information, or (3) provide your press-ready files and we print and laminate your title!

CUSTOMIZE OUR EXISTING CONTENT.

Want your logo on our existing content? Do you have additional information you would like to include from our other guides?

Pick and choose what works for your school or business from our content and we will easily put it together for you!

Southwestern Adventist University used the *Studying Tips, Tricks & Hacks* guide and customized it with their content. They included fall and spring schedules, key campus terms, a who to see on campus listing, and contact info for the student advising center.

WE DESIGN IT, PRINT IT, AND LAMINATE IT.

We take your content, condense it, then design the road map to give students or colleagues the information they need using our proven format.

Ways to use QuickStudy® custom:

- Student Success Guides
- Employee Handbooks
- Campus Guides
- Training Manuals
- Academic Advising Guides
- And much more!

Send your text and images and we'll convert it into our format!

YOU DESIGN IT; WE PRINT AND LAMINATE IT.

Since we have been in business for over 30 years, we know printing and laminating. We can work with your organization to get the best pricing possible, and ensure that you receive the highest quality on all finished pieces.

Great for freshman orientation, student recruiting, and more!

TESTIMONIAL

"When I decided to pick up a psychology minor, I knew I had to get something to help me along the way. It's been several years since my last psychology course, and this guide is definitely worth the money. It's a tri-fold pamphlet (6 full pages of detailed information) that's laminated (durable). I know this will help me during my minor studies and will last!"

- M. Koch, "Psychology"
